Criminal Information for Jonathan Crane

First Name: Jonathan

Last Name: Crane

AKA: Scarecrow

convicted_felon? Yes

Notes: true

AKA: Professor Jonathan Crane was an outcast in childhood due to the constant bullying, until he grew up to face his fears as a psychologist and biochemist in the specialization of fear. Kicked out of a university for his unorthodox teaching methods, he now dresses symbolically as a scarecrow, and employs a toxin that causes its victims to hallucinate the presence of what they most fear.
